India Secures Second Bronze Medal at Senior Asian Wrestling Championship 2025

Amman, Jordan —: On the second day of the Senior Asian Wrestling Championship 2025, Indian wrestler Nitesh clinched the second Bronze Medal for India, showcasing remarkable skill and determination in the Greco-Roman category.

Nitesh began his journey with a dominant 9-0 victory over Kazakhstan's Ilyas Guchigov. However, he faced a tough challenge in the semi-finals, where he was defeated by an Iranian wrestler. Undeterred, Nitesh bounced back strongly in the Bronze Medal bout, defeating Turkmenistan's Amanberdi Agamammedov to secure a podium finish.

With this victory, the Indian Greco-Roman team has now won two Bronze Medals in the championship, marking a strong performance on the international stage.

The focus now shifts to women's wrestling, which is set to begin tomorrow, featuring competition in five weight categories. The results will be updated as the tournament progresses.

With regards,

Sanjay Kumar Singh
