Sub: Waiver of Entry Fee for Participation in State Wrestling Events

It has come to the notice of the Wrestling Federation of India (WFI) that a few State Wrestling Associations are collecting Entry Fees from wrestlers participating in their respective State Wrestling Events.

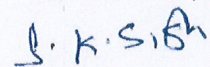

All affiliated units are reminded that the Wrestling Federation of India has waived off the Entry Fee for participation in National Events, as communicated in our Circular dated 10th November 2022.

The WFI strongly believes that wrestling should be accessible and inclusive for all, and that no aspiring wrestler should be discouraged or financially burdened by unnecessary charges. The imposition of Entry Fees places an unjust financial burden on the participating wrestlers, many of whom come from modest backgrounds.

In view of the above, all State Wrestling Associations are hereby directed to immediately waive off any Entry Fee being collected for participation in State Wrestling Events.

All units are requested to strictly comply with this instruction in the spirit of fairness and to promote greater participation in the sport.

Yours sincerely,

[Sanjay Kumar Singh]
President
